

Senior Department

The Senior Department caters to the learning needs of youths from 17 to 20 years old. For 2007, our theme is aligned to that of the Church's "Towards Prayerful and Consecrated Living for Christ". We have nine classes staffed by 16 teachers, with a current enrolment of 72. You will notice that this age range includes the fulltime National Servicemen, and in fact they constitute 1/3 of the enrolment. We welcome more NSF to fellowship together!

Apart from the weekly class learning, we also meet on the last Sunday of each month for corporate exhortation through the Open Sunday Programme. For 2007, we have embarked on character study of Joshua in regard to servant-leadership. We firmly believe that through active service, we will develop a greater sense of consecration and lead a more prayerful life. We are glad to partner Young Teens Department during the Open Sunday for this year, for two are indeed better than one (Ecc 4:9)!

Some of the senior classes ventured into co-teaching, which saw students taking turns to share God's Word and facilitate class discussion. This is part of the grooming process as we prepare these young adults for service in Church. Please join us in Sunday School if you are not part of us yet. I am sure you will enjoy the blessings like we do every Lord's Day.
